SHIN & KIM

Bankruptcy & Restructuring Disputes

For decades Shin & Kim's Bankruptcy and Restructuring Disputes Practice has been advising various stakeholders in disputes relating to rehabilitation, restructuring, composition, bankruptcy and workout procedures. The team works seamlessly with experts in other practice areas to enable it to provide advice that is sensitive to business and financial markets, corporate accounting practices, the latest judicial trends, and government policy directions. This multi-faceted approach makes the Practice one of the best in Korea.

Key Services

Shin & Kim provides the following services:

- Filing/initiating bankruptcy or rehabilitation proceedings and providing advice during such proceedings.
- Reporting claims and conducting claim confirmation suits in rehabilitation and bankruptcy proceedings.
- Initiating and attending to appeals against various decisions of rehabilitation courts, including decisions to commence rehabilitation proceedings.
- Filing and progressing lawsuits related to workout proceedings jointly managed with creditor financial institutions.
- Advising on disputes for the collection of debts and physical assets from bankrupt companies.
