Dah Hyun Chung is an associate at Shin & Kim whose practice focuses on financial institution inspections and sanctions, internal control counseling for financial institutions, financial consumer protection counseling, financial licensing counseling, and general corporate law.

Ms. Chung is an associate in the Financial Regulation Group, where she provides legal advice on matters related to the Financial Investment Services and Capital Markets Act, the Specialized Credit Finance Business Act, the Act on the Protection of Financial Consumers, the Financial Holding Companies Act, the Act on the Improvement of the Financial Industry, the Electronic Financial Transactions Act, and other laws related to credit information. She has been engaged in a number of consulting projects, including the establishment and review of internal control systems of Korean financial institutions and the financial consumer protection systems. She has also represented and advised clients in responding to unfair trade practice investigations and administrative sanctions imposed by financial regulatory authorities and has been involved in the authorization and licensing of financial institutions.
