Ms. Seoyoung Chung is an associate at Shin & Kim LLC. Her practice primarily focuses on corporate acquisition/M&A transactions, corporate governance, general corporate advice, etc.

Ms. Chung has provided companies and funds from various industrial sectors at home and abroad with advice on various corporate transactions, such as corporate acquisition/M&A transaction, managerial right disputes and other matters related to laws on companies.

Ms. Chung, who graduated from the College of Business Administration of Seoul National University (B.A., summa cum laude) and then the Yonsei University Law School (J.D., cum laude), provides her clients with practical advice in light of their business strategies based on her experience of working in the global business climate as she performed overseas sales duties in the finished car industry before entering the Yonsei University Law School.
