Seung Rim Ok is a patent attorney in the Intellectual Property Group at Shin & Kim LLC, whose main practice areas are semiconductor-related patent applications, responding to office actions, and advising other related intellectual property matters.

Ms. Ok has experience in handling domestic and international applications and responding to office actions for Samsung Electronics and SK Hynix. Specifically, she has assisted Samsung Electronics with securing patent rights for camera-related technologies, image sensors, UX/UI, earbuds, and AR devices, and SK Hynix with local and international patent rights on NAND device processes and CIS technologies.

Ms. Ok graduated from Korea University, College of Engineering, Department of New Materials Engineering, and is a licensed patent attorney (55th class). Prior to joining Shin & Kim LLC, Ms. Ok worked at Lee & Kwon IP Law Group.
