Mr. Seong-Jin Choi is a partner of Shin & Kim and his major practice areas include corporate crime, high-tech crime, financial crime, money laundering, intellectual property rights, personal information protection, information and communications, forensic science, etc.

Starting his career as a prosecutor at the Seoul District Prosecutors' Office in 1997, Mr. Choi had been in charge of special investigations at Northern Branch of the Seoul District Prosecutors' Office, Suwon District Prosecutors' Office, etc. In particular, he investigated politicians and large corporations as a member of the presidential election funds investigation team of the Central Investigation Unit of the Supreme Prosecutors' Office. In addition, he participated in the implementation project for Korea Information System of Criminal-Justice Services (KICS) of the police, prosecution service, courts and the Ministry of Justice and was dispatched to the Special Prosecutors' Office on DDos, while accumulating experience in forensic science including information and communications and digital forensic science and in cybercrime investigation, serving as Digital Forensic Science Officer and Forensic Science Planning Officer at the Supreme Prosecutors' Office.

In addition, Mr. Choi worked at the Korea Financial Intelligence Unit of the Financial Services Commission, engaging in the anti-money laundering task, such as the analysis of illegal financial transaction and foreign exchange transaction.
