Mr. Joon-Hyun Park is a partner at Shin & Kim with seasoned expertise in the finance sector, and mainly practices in the field of financial regulatory advice, response to financial institution inspections and sanctions, overseas investment development, and unfair trade in the capital market, such as market manipulation. As a member of the Financial Regulatory PG, he provides regulatory advice for various financial institutions and represents financial institutions in responding to inspections and sanctions.

In addition, based on his experience working at a law firm in Jakarta, Indonesia in 2016, Mr. Park provides advice on investment development for Korean companies in a number of Southeast Asian countries, and based on his experience in day trading, has multiple track records in dealing with landmark unfair securities transaction cases under the Capital Markets Act, including insider trading, market manipulation, unfair transactions, among others.
