Mr. Hyun Heo is a partner at Shin & Kim. Mr. Heo's main areas of practice include real estate development, construction, trust, finance, administration, international trade insurance and others.

Mr. Heo is a recognized expert in resolving various disputes related to property development businesses by providing various counsels and litigations services for contractors, constructors, trust companies and financial institutions, etc. that participate in property development projects. His work covers a broad range of counsel and litigation services related to real estate trust (land trust, security trust, management trust, administrative service contracts, etc.), redevelopment and reconstruction projects, urban development projects, construction projects, etc. He has successfully handled civil and criminal cases related to serious or industrial accidents in construction sites, one of his notable wins being the civil case related to the Goyang terminal fire accident, which he won by developing a groundbreaking legal logic. He also won numerous not-guilty verdicts, acquittals in various criminal cases, including the Yongin Complex Center case. Other areas of his successful practice includes trade insurance, family affairs (divorce and property division).
