Mr. Junkyu Ahn is a partner at Shin & Kim and his practice focuses on Technology, Media, and Telecom (TMT) with rich advisory experience in various practice areas including platforms, big data, AI, e-commerce, mobility, games, virtual assets, digital healthcare, and OTT media service for companies in Korea and overseas.

He provides excellent solutions and in-depth regulatory advice to global IT companies, conglomerates, and startups leading the 4th industrial revolution in Korea in their respective fields. He has great expertise in handling various legal issues commonly facing companies in the TMT industries, such as responding to investigations by administrative/investigative agencies, resolving disputes with consumers or business partners, investing and mergers and acquisitions, and consulting on corporate laws and legislative processes.

In 2022, he was selected as a leading lawyer in TMT by The Legal Times.
