Ms. Bora Nam serves as a researcher at the Global Business Strategy Center (GBSC) of Shin & Kim, where she specializes in advising on national and public institution projects as well as strategies for entering emerging markets.

Previously, Ms. Nam worked at the Center for International Development Cooperation, Korea Development Institute (KDI), where she operated Knowledge Sharing Program (KSP) projects and international development cooperation research in countries in Asia-Pacific and Africa. She also served as Head of Policy Advisory Team 1 at the Office of Policy Advisory (2021–2023), where she oversaw government policy advisory and international cooperation projects. In 2024, she worked as a Visiting Researcher at the Institute for Economic and Social Research, Faculty of Economics and Business, University of Indonesia (LPEM FEB-UI), conducting research in the fields of development policy and international cooperation.

Leveraging her extensive experience in policy analysis and field networks, she connects public policy with private sector global business, supporting companies in formulating overseas expansion strategies and managing risks in emerging markets.
